Introduction

At first glance Hebron School looks the same as it has for many years. In many ways it is the same. The location hasn't changed and we're using the same buildings. Also we see many of the same students and faculty. Students are taking the same subjects: English, history, government, mathematics, art, commerce, home economics, and industrial arts. However, there have been many changes. More new students are present than any other year. There were changes in the faculty as well as additional members added to the staff. This year the home economics girls and Mrs. Berrier enjoyed their new kitchens (4 of them, 2 gas, 2 electric) for the first time. Also the home economics department was expanded to include two connecting rooms. The old home economics room was remodeled and converted into a library. This new facility should give Hebron students better use of library materials.

The new language lab was used for the first full year. More science equipment was purchased to greatly enhance our science program. Our curriculum was expanded with the addition of business mathematics. In extra-curricular activities the G. A. A. played more basketball games with other schools and the track team ran its first indoor meet.

Several changes were made at Hebron to keep abreast with the ever changing world. Several changes were made in the Seneca in hopes of improving it.

Dedication

The Seneca Staff of 1965 wishes to dedicate this book to Miss Mary Kolling, for her patience and understanding during our Junior year. When we think back, we realize just how much of a "problem" we were. All we can do now is to say--Thank you!

This year the yearbook staff wishes to honor Miss Mary Kolling. She has taught us not only the regular subjects such as English and Art, but she has also taught us to accept responsibility and to put our best into whatever we undertake.

Faculty and Administration

Administration

The administration consists of Mr. Dillabaugh, Trustee; Mr. Knauff, Principal; Mr. Gwin, Assistant Principal; Mrs. Berrier, Dean of Girls; and Mr. Allison, Grade Teaching Principal.

Through the efforts and guidance of the administration, better facilities offer the student opportunities for a full academic, social, and personal growth.

The senior officers worked hard this year in transacting class business, and managing senior affairs in general.

Dean Parent, President
Mary Wagner, Vice-President
Doria Armstrong, Secretary
Dave Schultz, Treasurer

This year's Senior Play entitled "GRAMARCY GHOST" met with a great deal of success. The plot developed around a situation in which a girl inherits a ghost from the Revolutionary War who can't go to heaven until General Washington pardons him. This unique and entertaining episode provided an evening of enjoyment for all who attended.

Last year's Juniors presented one of the loveliest proms ever given. The theme "Roman Holiday" was depicted by a beautiful setting in a Roman villa. One of the feature attractions was the large fountain in the center of the room.

Nothing can compare with the Junior year, and this class finds it no different. Everyone has been kept busy with various projects and activities. Concessions and speeches started the year off, followed by Christmas card and magazine sales. The year wound up with the play, and then the Prom. It's work, but it's a riot!

The first year of high school is always exciting. Bigger assignments, more activities, more sports, and greater responsibilities give these freshmen a sense of accomplishment. They learn that hard work and more hard work are the things that spell success.

The move from the grade building carried with it both excitement and disappointment. After being the biggest and most learned, we find ourselves the smallest and least learned.

Activities

Band

Drum Major: Don Yeoman

The Band has been very successful this year under our new director, Mr. Bunning. Starting out in the fall, the band won the marching contest at Valparaiso. It continued its popularity with the public throughout the winter and spring with various activities.

President: Tom Evans
Vice-President: Steve Nethery
Librarians: Martha Nethery
Joy Carlson

Twirlers: Peg Wright, Pat Wright, Sonja Osby, Joan Simpson, Jean Simpson

Chorus

This year as in past years the chorus has been an active organization in the school curriculm. These activities include our annual Spring and Winter Concerts, the Music Festival, and the contest. We also have a fine special chorus that made a number of private appearances.

ACCOMPANIST: Doria Armstrong

Pep Band

The Pep Band, under the direction of Mr. Bunning, did much to stimulate the enthusiasm of the fans. With the help of their "swingin" music the games were always filled with fun and excitement.

Junior Band

The Junior Band consists of sixth and seventh grade students. They participate in the winter and spring concerts each year with the hope of eventually playing in the High School Band.

G. A. A.

The G. A. A., Girls' Athletic Association, has indeed become more athletic this year. They have enjoyed opportunities of playing other schools in both basketball and volleyball. The theme for this year's dance was "Cupid's Holiday;" it was thoroughly enjoyed by all who attended it.

President, Susan Aylesworth; Vice-President, Mary Martin; Secretary, Pam Ingram; and Treasurer, Millie Hrivnak.

Booster Club

The Booster Club of Hebron High School followed the high-flying Hawks through another successful season as they regained the South County and County Tourney titles this year. Dressed in their red and white, and amply prepared for win or defeat, they cheered the team on time and again.

President, Dave Schultz; Vice-President, Linda Fox; Secretary, Pam Ingram; Recording Secretary, Doria Armstrong; Treasurer, Becky Stineburg.

Student Council

Don Yeoman

Student Body President

Det
"66"

The Student Council is an organization which attempts to bring some of the problems of the student body to the attention of the administration through class representatives in the Student Council.

This year's Student Council sponsored such activities as "Red and White Day," a Thanksgiving program, and a sock hop after the South County Tourney. One of the goals for this year was finishing the Hebron High School Handbook. Don Yeoman, this year's president, attended the Student Council Workshop. The other officers this year were Bob Smock, Vice-President; Gary Osburn, Treasurer; and Mary Martin, Secretary.

Hawker Staff

The Hawker Staff, sponsored by Mrs. Gwin, kept Hebron students well-informed on school activities and latest gossip.

EDITOR: Carol Poisel

ASSISTANT EDITOR: Judy Huber

National Honor Society

The National Honor Society is growing measurably each year in membership and ideals. This year they have carried out many worthwhile projects, including the March of Dimes Campaign, ushering at convocations, and the presentation of the Easter Program.

This year's society had nineteen members and it is hoped that even more students may be initiated into the society than have been in previous years.

Patrol Boys

Being a patrol boy is a responsibility these boys have taken on willingly. The boys are respected for their good judgment and the way they protect the students of our school. Their record shows that there has not been an accident involving a child under the supervision of the safety patrol for twelve years. In recognition of their service the boys are treated to a professional baseball game each year.

Honors

Mary Kay Wagner was chosen this year's D. A. R. good citizen by the faculty.

Paula Balzco was chosen the Betty Crocker Homemaker of Tomorrow of the class of 1965. Her selection was based primarily on a test of which she received the highest score.

Sherrill Armstrong won the American Legion Oratorical Contest in our school this year with her speech, Our Constitution - A Barrier Against Tyranny. Congratulations Sherri, on a fine speech.

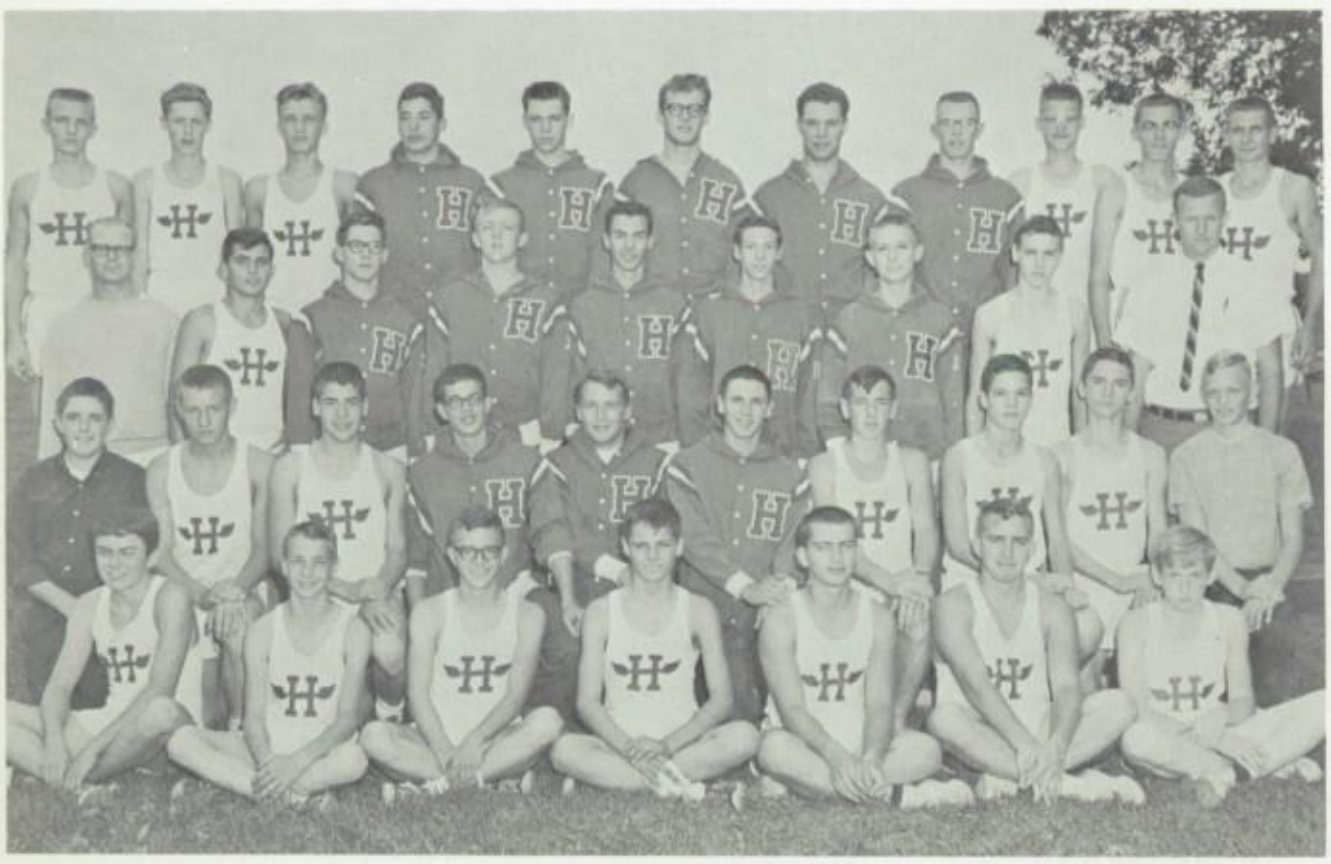
The Cross Country teams had a good year but came out with an even number of wins and losses. The team placed third in a field of eight at the Porter County meet. They placed fourth in a field of thirteen in the Bi-County. They also placed second in the KVAA meet. Top runners were Dick Steffel who placed first in the Morgan, Boone Grove, Tefft, and Liberty meets, and Dean Parent who finished second to Dick in each of those meets. Steve Simpkins also was a strong runner and finished first for Hebron in the Andrean and Porter County meets.



Track

With the returning lettermen in the distance runs, the dashes, and the field events, the Hebron squad had a very successful year.

The 1964 Hebron High School Baseball Team won the Porter County Conference with a 7-0 record. This marked the third year in a row the Hawks have won or tied for the Conference Championship.

Mike Wright led the Conference in batting with a .500 average. Bill Smock led the Hawk mound staff and the County with a 6-0 record and an earned run average of .89.

Coach Fishero and his Champion Hawks are to be congratulated for their fine achievement.

Bob Smock was selected to the All-Conference first team for the third time. Other All-Conference selections were:

	B.A.
Mike Wright	.500
Bob Smock	.444
John Knauff	.300
Paul Rosenbaum	.280

	W	L	E.R.A.

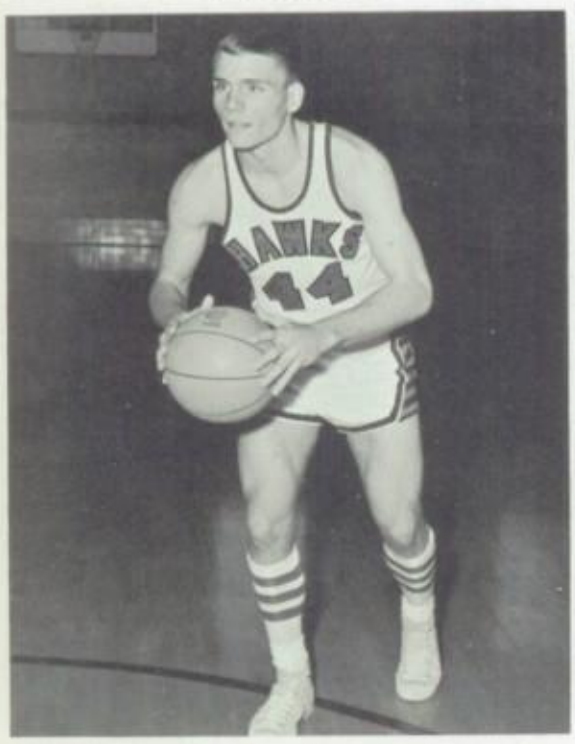
Varsity Basketball

The 1964-65 version of the Hebron Hawks again enjoyed a highly successful season under head coach Don Broughton. The Hawks started slowly this year owning a 3-2 mark after five games. The Hawks began to find themselves against Morgan and from this point put together a victory string of eleven games, and finished with an 18-5 record for the year. The five Hawk defeats came by a total of 23 points. The Hawks dropped two 2 point decisions, a 5 point overtime game, and their first and last games by 7 points. This year's Hawks are the South County and Porter County champions. The Hawks opened their South County bid by conquering Kouts by 21 points. The running Hawks then edged defending champ Morgan 53-52 for the tourney title. In the County Tourney the Hawks rolled over Washington by 15 points, Kouts by 30 points, and Morgan by 21 points, to be crowned the champions of Porter County. The Hawks traveled to Wolcott for their sectional this year. The Hawks faltered in the semi-final round and lost to eventual winner Otterbein 67-74. The Hawks' quintet was also crowned Porter County Co-Champions as they finished with a 6-1 mark. Among the 18 Hawk victories are 6 and 12 point decisions over River Forest and Dyer Central respectively. The Hawks again set a school and county record for most points scored in a game as they defeated Morocco 112-52.

Bob Smock



Bob Smock again led Hebron's attack as he connected for 484 points for a career mark of 1,589. Bob also received the M. E. Dinsmore Award at the County Tourney. Four other Hawk players scored over 200 points this year; Bill Smock 259, John Knauff 244, Darryl Parent 240, and Paul Rosenbaum 221.

The Hebron Hawks and Coach Don Broughton are to be congratulated for another great season.

The Freshman basketball team again suffered a losing season. The fledgling Hawks conquered their first two foes but fell victim to 11 straight defeats. The young Hawks were victimized by a basketball disease called "coldietis." The boys were in position for several more victories but could not put the ball through the little round hoop. The Hawks dropped 5 games by 5 or less points.

The Hebron Junior High basketball team ran up a 12 game winning streak, beginning in December and lasting through the Junior High Tourney, for an excellent record of 13-3 for the year. The young Hawks won their opening game, lost their next three, and then went on their game-winning binge. After several disappointing years, Hebron finally captured the Porter County Junior High Tourney, avenging an earlier defeat at the hands of Kouts.

The Junior High "B" squad had a cold winter, posting a record of two wins and nine defeats. It was a season in which they just couldn't get going and the ball always bounced the other way. In the Morgan and Liberty games the offense stalled and a defensive lapse was detected in the Lowell game. Well, as the Brooklyn Dodgers used to say, "Wait till next year."

Junior High Baseball

The 1964 Hebron Junior High baseball team had a record of 5 wins and 2 losses. The junior Hawks were co-champions of the conference with Washington and Wheeler. The team's leading hitters were: Bob Riggs, .471; Virgil Gross, .444; and Tom Gross, .371. Bob Riggs had a 5-2 won and lost record and he struck out 64 batters in 85 innings. This was the sixth consecutive season in which the junior Hawks won or shared the Porter County Championship.

Junior High Track

The Jr. High track squad enjoyed a profitable season. Congratulations to the boys and their coach. Hours of strenuous practice lead to satisfactory results.

Sixth Grade Basketball

Now that the horn has blown which ended the basketball season for the Hebron students, let us call attention to the record of the teams of the future, namely the Hebron Elementary School's 5th and 6th grades.

The sixth grade team recorded the best record of any Hebron basketball team this year, achieving a 7-1 mark. The Birds lone loss was a one point decision to South Lake County champ Center.

Fifth Grade Basketball

The Baby Birds opened the season in December with Wheatfield. The first game caused the fans to think it was going to be a long, cold winter, as they watched Wheatfield run away with a 15-5 victory. From that point on the Baby Birds fell into true Hebron tradition and ended the season with a 5-1 record.

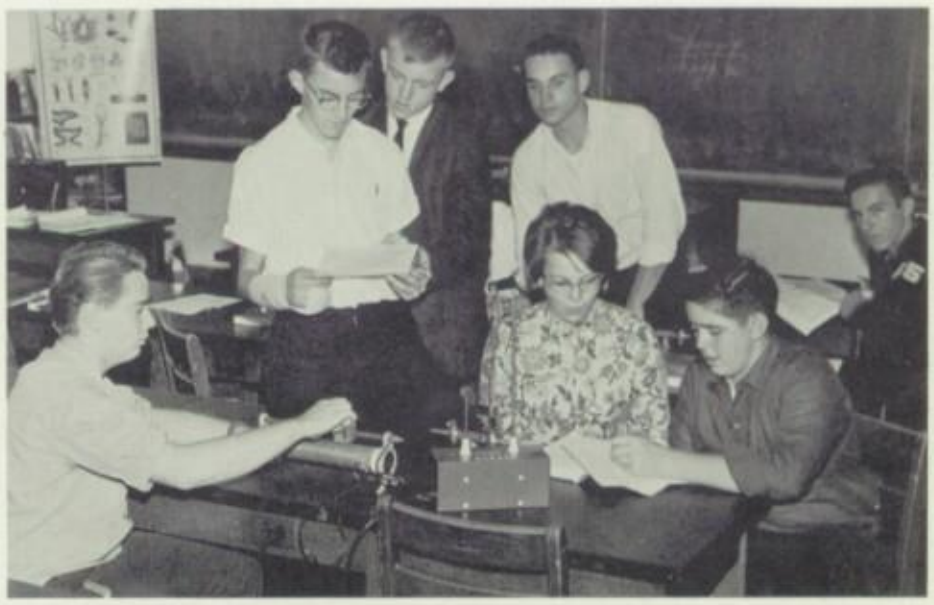
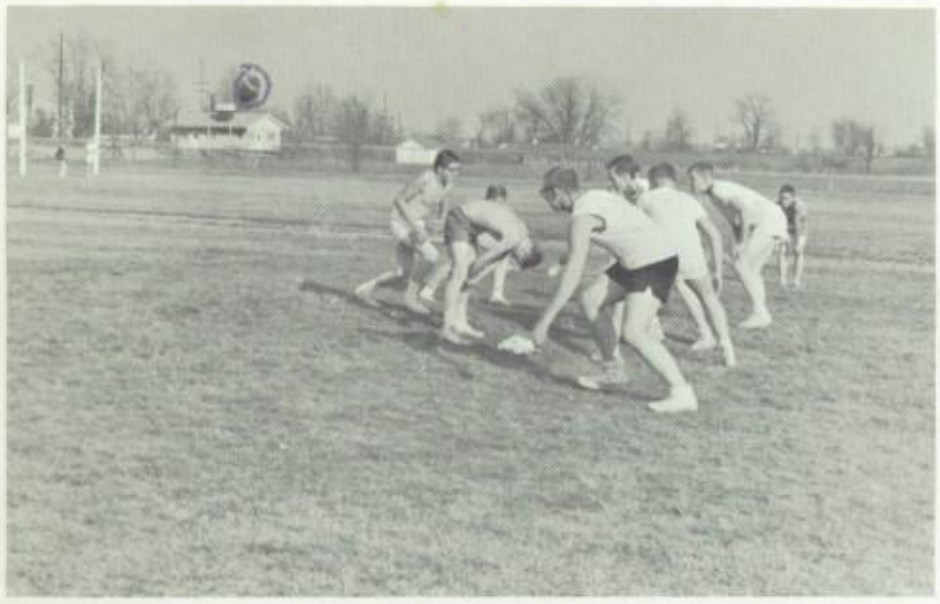
Oh, yeh, a blizzard did.

If Betsy Ross can do it, so can I!



Which electrode aren't we supposed to touch??



OK, men, clutch!!

No, school's not out; it's just one of our monthly fire drills.
